

# How to Search for Available Properties

The “Search Available Leases” quick link allows you to search for available properties and view maps associated with the property. Each tract of land available for licensing is identified by a Recreational License Unit (RLU) number. Hunting clubs are allowed to bid on and License as many RLUs as they like.

The screenshot shows the website's header with contact information (Technical Support 980-430-8151, email: tfghuntsupport@orbishuntlease.com), login fields (Username, Password, Sign In, Forgot Password?), and a navigation menu (HOME, ABOUT US, GENERAL INFO, NEWS LETTERS, CONTACT US). A green bar contains a "Create Account" button. The main banner features a deer in a field with the text "THE FORESTLAND GROUP" and "HUNTING • RECREATION". Below the banner are three main sections: "SEARCH AVAILABLE LEASES" (highlighted with a red border), "PUBLIC ACCESS AREA INFORMATION", and "MY ACCOUNT".

**SEARCH AVAILABLE LEASES**  
TFG manages over 800,000 acres of forestlands, abundant with opportunities for hunting, trapping, and fishing. Click here to search for available properties for licensing in your area.

**PUBLIC ACCESS AREA INFORMATION**  
TFG also has thousands of acres of land available for public use. Click here to view more information about recreational opportunities on lands managed by TFG.

**MY ACCOUNT**

Land available for licensing is listed geographically by state and county. If your preferred county is not listed, then we do not currently have any property available for hunting in that county. Search results can be filtered by using the drop down arrows beside each of the search categories (state, county, RLU, price, and acres).

**Show All Available RLUs:** Shows all properties available for licensing. This includes properties currently open for bidding and properties that are available for licensing immediately, without bidding.
